

MBS-AA

BORELIGHT

QUALITY ENGINEERED FOR A FLAWLESSLY CENTERED DOT EVERY TIME, THIS BORELIGHT PROVIDES A PRECISE, ACCURATE ALIGNMENT IN THE FIELD WITHOUT FIRING A SINGLE ROUND OF AMMO. INCLUDES A VISIBLE RED LASER AND STAINLESS STEEL BORE RODS.

OVERALL FEATURES

- Low power mode for low-light conditions
- Fully adjustable windage and elevation
- Rotary switch for easy operation
- Compatible with these calibers: .22/.223/5.56 mm; .223/5.56mm; 7mm; .30/.308/30-06/7.62mm; .38/.357/9mm; and .40/10mm/.45/.50

Fully adjustable windage and elevation

Powered by one AA battery

Rotary switch for easy operation

SPECIFICATIONS

Borelight

	MBS-AA Borelight 3170635
LASER TYPE	Visible Red or Green IR Laser Pointer IR Laser Illuminator
POWER OUTPUT	Visible Red / Green Laser IR Laser Pointer IR Laser Illuminator White Light
WAVELENGTH	Visible Red Laser Visible Green Laser IR Laser Pointer IR Laser Illuminator
PEAK ILLUMINANCE	White Light
BEAM DIVERGENCE	Visible Laser IR Laser Pointer IR Laser Illuminator White Light
RANGE/VISIBILITY (NIGHT/DAY)* <small>Range may vary depending on light conditions</small>	Visible Red Laser Visible Green Laser IR Laser Pointer IR Laser Illuminator White Light
Temperature	-40°C to +65°C
Battery	AA
Battery Life (Mode Dependent)	8 hours
Material	Aircraft Aluminum
Color	Black
Weight (with Battery - oz.)	5.4
Dimensions (in. -LxWxH)	9.25 (L)
Waterproof	Submersible to 3m
Mount	Stainless Steel Bore Rod (2)
Windage & Elevation Adjustment	Yes
Activation Switch	Rotary Switch
Remote Cable Pressure Pad	Yes
Warranty	1 year
