

MK4

BATTLE LIGHT

THE MODULAR, LOW-PROFILE DESIGN OF THIS 500-LUMEN WEAPON LIGHT PROVIDES INTERCHANGEABLE SWITCH OPTIONS AND PLACES THE LIGHT CLOSE TO THE WEAPON BODY, NEARLY ELIMINATING THE RIFLE BARREL SHADOW AND ENHANCING WEAPON-HANDLING AND ERGONOMICS.. IT CAN OPERATE ON TWO CR123A BATTERIES OR ONE RECHARGEABLE LITHIUM ION BATTERY (SOLD SEPARATELY).
