

WARQ PRO TRAINING HELMET

The WARQ Pro training helmet was designed specifically for Law Enforcement and Military use in training with marking rounds and FoF ammunition. Its unique ventilation system provides the best anti-fog capabilities on the market.

PROTECTS AGAINST

- Simunition®
- UTM Rounds®
- Force-on-Force®
- Arex®

*Neck Guard Included

ANTI-FOG

- The WARQ Pro ventilation system expels hot air and body heat exhaust before it fogs up the lens
- This anti-fog design means there is no need to remove the helmet for fog relief, leading to safer, more realistic training

EXTRA-WIDE FIELD OF VIEW

- 210° lens, for unmatched situational awareness
- Large lens size allows for better non-verbal communication

ONE-SIZE FITS ALL

- Adjustable, will fit all team members
- Comfortable and lightweight
